

Jordan Avery

Senior Product Manager · San Francisco / Remote · jordan@example.com ·
linkedin.com/in/jordanavery

Summary

Senior PM with 8 years in B2B SaaS, taking products from messy 0→1 to scaled growth. Shipped the onboarding revamp that lifted activation 41%→52%; led a 3-team platform migration with zero downtime. I turn fuzzy problems into shipped outcomes.

Experience

Senior Product Manager, Northwind Software · 2022–present

- Cut onboarding drop-off 18% → 9%, unlocking ~\$140k ARR, by redesigning the 3-step signup flow.
- Drove a cross-team platform migration (3 squads, 6 months) with zero customer downtime.
- Built the experiment program: 24 tests/quarter, 31% win rate, feeding the roadmap.

Product Manager, Acme Cloud · 2019–2022

- Launched the analytics dashboard now used by 70% of weekly-active accounts.
- Grew the mobile NPS from 14 → 38 over four quarters.
